Dear friend of Birthright,

*"If it wasn't for Birthright, my son would not be here." As she told me these words I immediately thought, she must have been thinking about getting an abortion. She continued, "I was part of the parenting program and one of the videos I watched was about CPR for infants. When my 1-year old son was choking I knew what to do, and that's only because I learned about CPR at Birthright. If it wasn't for Birthright, I don't think he'd be alive today."*

Meeting this young lady reminded me of the varied work that Birthright does in the community. Yes, we come alongside those who are unexpectedly pregnant and help them make life-affirming choices. But we also encourage the new mom who is struggling to clothe her young child, or the new dad who is not sure what fatherhood means, or the woman struggling after choosing an abortion years ago. At Birthright, we love them all.

**Would you continue to help us in this important work?** We have enclosed an envelope for your convenience or consider donating online at [www.birthrightofbelair.org](http://www.birthrightofbelair.org). Your entire gift will be used in the Bel Air office to serve our community. Currently, we have close to 300 active client files. We couldn't do the work of Birthright without you. *Your support literally saves lives.*

Consider also linking your Amazon Smile, United Way, and any work accounts with Birthright of Bel Air. Any gift is extremely important and will help make an immediate impact on the lives of women and their families in Harford, Baltimore, Cecil counties as well as Southern Pennsylvania.

I want to thank you for your continued support and wish you and yours a Blessed Holiday Season! If this ministry is on your heart, please **think about joining our volunteers.** Please stop by our office or come to an Open House on the first Wednesday of every month at 7pm to learn even more about the work we do at Birthright.

Sincerely yours,

Stephanie Atha, Executive Director
